Exciting new colours, patterns and timber grains featuring the latest trends and designs from Europe and Asia.

Warm Grains

Colours and structures which add mood and warmth to your designs.

Classic Grains

Timeless look and feel of traditional timbergrains.

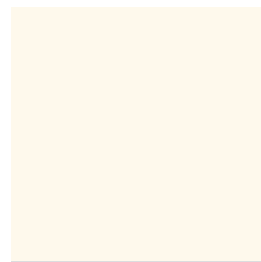

Decoline®

Decoline

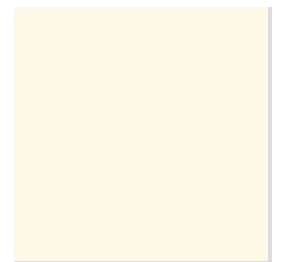

Decoline is the name given to our line of decorative melamine products. Decoline boards have reliable structural properties and are aesthetically pleasing, offering a surface that is durable, hardwearing, stain resistant and easy to clean.

D&R Henderson is proud to be the only 100% Australian owned company in the particleboard industry. We have a strong commitment towards an environmental responsibility and supports sustainable management of plantation forestry by ensuring a minimum volume of wood content is sourced from FSC certified plantation pine. Please visit the website for more details regarding our environmentally friendly initiatives.
